2. Preference for Shared Accommodation

Since the number of rooms available is limited, research scholars and students are strongly encouraged to opt for shared accommodation, wherever possible.

The two-bed and three-bed sharing options are particularly recommended for students and research scholars to facilitate accommodation for a larger number of participants.

3. Procedure for Requesting Accommodation

Participants requiring accommodation are requested to:

- Submit their accommodation requirement through the VIBCON–2026 accommodation booking facility/portal.

- Clearly mention the date of check-in and check-out
- Indicate their preferred accommodation category, such as A/C or Non-A/C and single-double-, or three-bed sharing.
- Participants opting for shared accommodation should indicate the number of persons intending to share the room, wherever applicable.
- Provide accurate mobile number and email ID for communication regarding accommodation allotment.
- Submit the accommodation request at the earliest (preferability within 10 days –on or before 30th August 2026), as rooms will be allotted strictly subject to availability and on a first-come, first-served basis, on request...

4. Important Instructions

1. Submission of an accommodation request does not guarantee room allotment. Accommodation will be confirmed only subject to availability.
2. The accommodation facility allotted may differ from the participant's preferred option depending on availability.
3. Participants shall be responsible for payment of the applicable accommodation charges, including GST, as per the instructions of the respective accommodation facility.
4. Participants are advised to carry a valid institutional ID card/student ID card at the time of check-in.
5. Participants shall comply with the rules, regulations, timings, and discipline of the respective accommodation facility.
6. Participants are responsible for the safety of their personal belongings and valuables.
7. Any cancellation or change in the accommodation requirement should be communicated to the VIBCON–2026 Accommodation Coordination Team at the earliest.
8. Participants are advised to make their accommodation request well in advance, considering the limited number of rooms available.

5. Important Advice to Research Scholars and Students

As the accommodation facilities available near ICAR–NIVEDI are limited, research scholars and students are strongly advised to submit their accommodation requirements as early as possible.

Vehicle transportation will be arranged by the organizers for the pick-up and drop-off of participants from these accommodation facilities to the VIBCON–2026 venue at ICAR–NIVEDI, to facilitate their timely arrival at the venue and participation in the technical sessions.

Priority for accommodation will be based on availability and the order in which requests are received. Participants are therefore requested to complete their accommodation booking without delay to avoid inconvenience.

We look forward to welcoming all research scholars, students, and young researchers to VIBCON–2026 at ICAR–NIVEDI, Bengaluru, and wish you a comfortable, enjoyable, and academically enriching stay during the conference.
